

SECURE YOUR SPONSORSHIP TODAY!

Sponsor the second **Virtual Cabin Chat Series** taking place on September 22-24, 2020. Your support in underwriting this event series, allows us to bring meaningful and necessary conversations to the forefront as our industry looks ahead towards recovery, in a time when we are unable to convene in person.

In an effort to continue the conversation on how connectivity fits into a COVID-19 world, we will be tackling new topics such as contactless travel, passenger data security, air quality monitoring, regulatory issues and more.

Why sponsor?

- Direct access to your target market
- Increase brand awareness and exposure to the community you serve
- Generate strong leads with new business partnerships and contacts
- Differentiate your company from competitors
